Gene Johnston was present to discuss the vacating of an alley between Eugene Collets 2nd add Lot 55 and 56 and Eugene Collets Lot 31 and 32. He said the only adjoining property owner is Betty Julian and she was supposed to have been to the meeting. He said he sent her a certified letter and advertised it in the newspaper. Wilson said he had spoken with Julian and she has some questions about the property boundaries. There was also some confusion to how wide the alley is, one map says 18' and another says 20'. Johnston said his garage burnt down and he is wanting to rebuild but wants to be everything right before he does so. Johnston said the rest of the alley has already been vacated. Wilson said he was fine but wanted to make sure Johnston knew that he had to build south and maybe east, but he could go west. Johnston understood and said he was getting all the proper permits and such from the Zoning Administrator, Jeff Davis. Wilson also said there was a telephone pole there and they would have to grant the easement to the utility company. Crossley made a motion to vacate, seconded by Johnston.

Crossley made a motion to adjourn, seconded by Wilson
